ABOUT US

Founded in 2011, wellDunn jewelry is designed and carefully handcrafted in Montreal, Canada.

Our products are made of high-quality materials; solid sterling silver, 18K gold vermeil, 24K gold plated or sterling silver plated, stainless steel and semi-precious stones.

wellDunn jewelry is available in over 70 stores across Canada.

Please let us treat you to our jewelry for as long as we're here!

A close-up photograph of a person's hand, showing the fingers and palm. The hand is wearing two rings. On the ring finger, there is a ring with a white oval face featuring a black starburst or floral design. On the middle finger, there is a ring with a twisted rope-like band and a small, round, clear stone set in a bezel. The background is a soft-focus green textured fabric.
